

Installation Procedure

V1.0.0

Step 1:

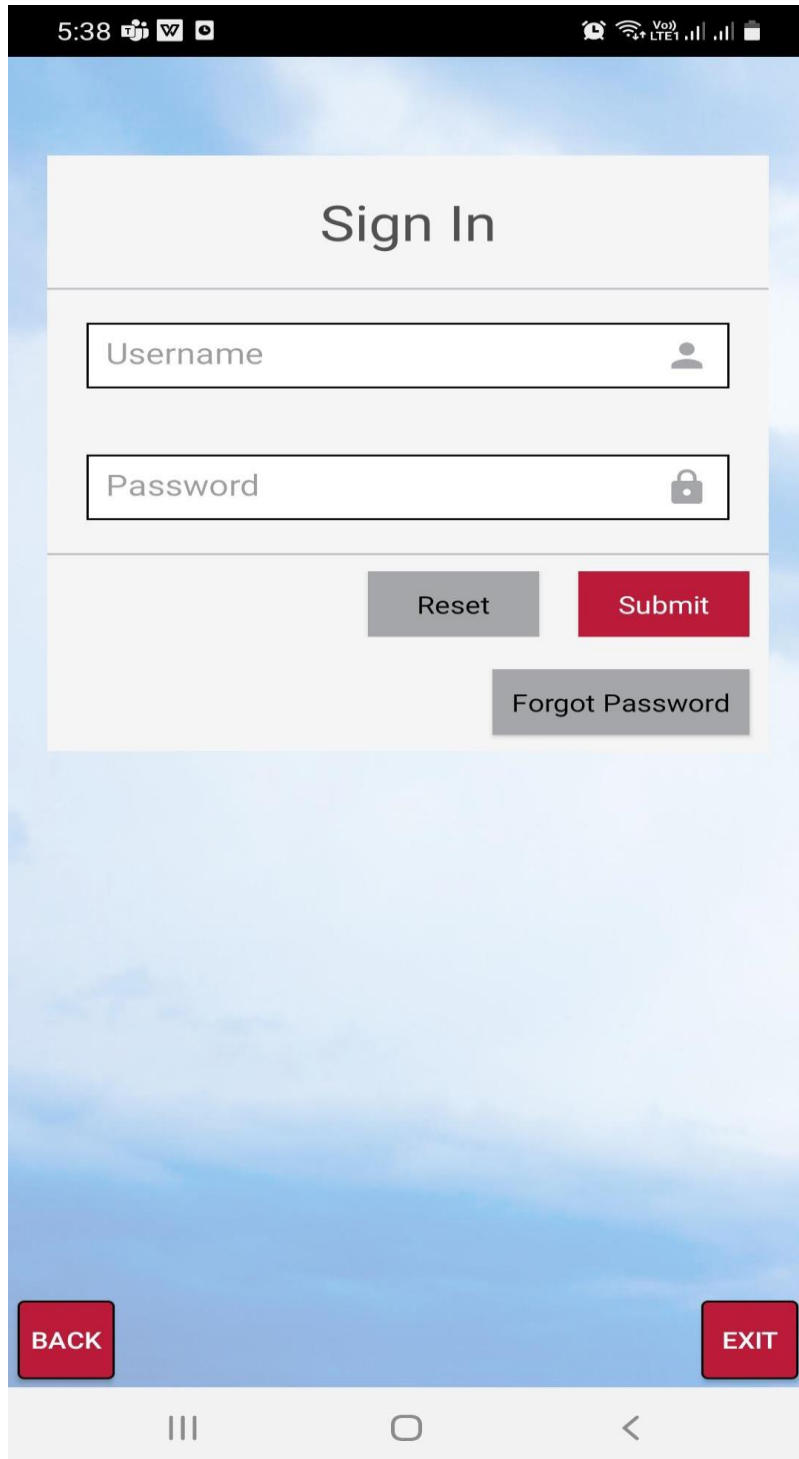

After installing the App, you will get the following screen in your mobile.
Choose “Existing” option and then click on “Submit”.

The screenshot shows a mobile application interface with a blue sky background. At the top, a black status bar displays the time 5:25, a Wi-Fi icon, a VoLTE icon, and signal strength indicators. The main content area is a white card with the title "Welcome To DGMobi Mobile Placard Validator" in red. Below the title, there is a section labeled "Select User Type" with two radio button options: "New" and "Existing". A red "Submit" button is located at the bottom right of the card. At the bottom of the screen, there are two red buttons labeled "BACK" and "EXIT". The Android navigation bar is visible at the very bottom with icons for back, home, and recent apps.

Step 2:

Enter your login credentials which are sent in an Email and click on “Submit”.

The image shows a mobile application interface for signing in. At the top, the status bar displays the time 5:38 and various connectivity icons. The app's title bar is black with white icons. The main screen has a light blue background with a white card containing the 'Sign In' form. The form includes two input fields: 'Username' with a user icon and 'Password' with a lock icon. Below the fields are three buttons: 'Reset' (grey), 'Submit' (red), and 'Forgot Password' (grey). At the bottom of the screen, there are two red buttons labeled 'BACK' and 'EXIT'. The Android navigation bar is visible at the very bottom.
