

Installation Procedure

V1.0.0

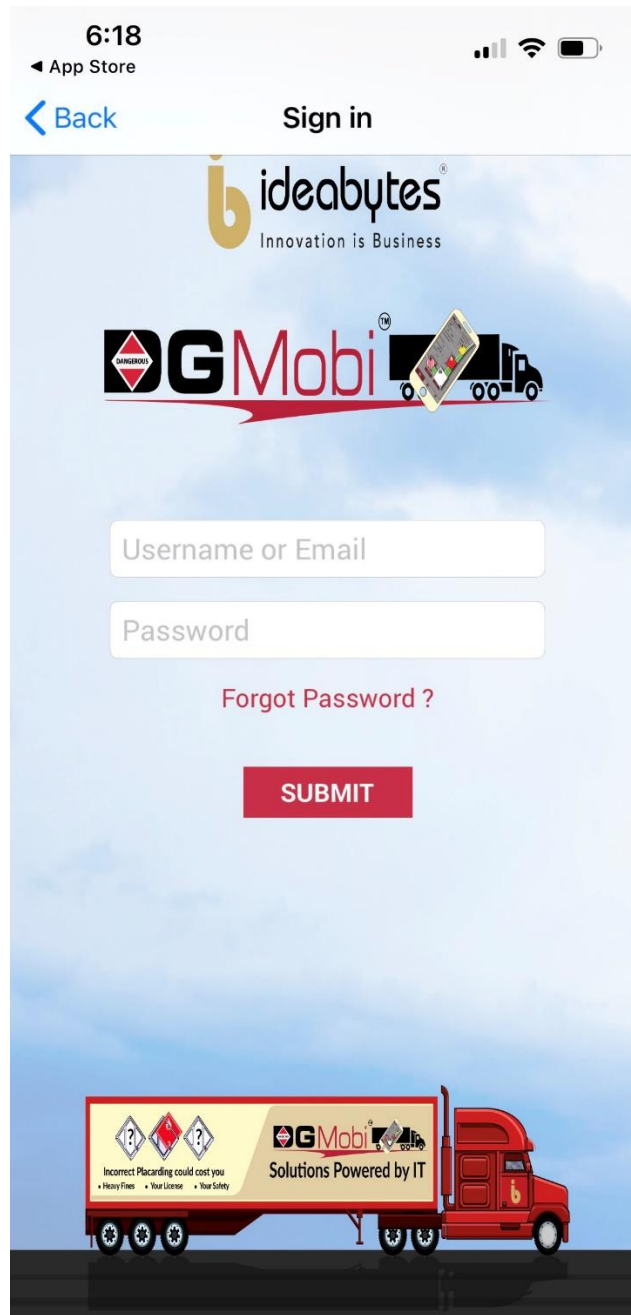

Step 1:

After installing the App, you will get the following screen in your mobile.
Choose “SIGN IN” option and then click on “Submit”.

Step 2:

Enter your login credentials which are sent in an Email and click on “Submit”.

The image shows a mobile application interface for 'DG Mobi'. At the top, the status bar displays the time '6:18', 'App Store' link, and signal/battery icons. Below the status bar is a navigation bar with a blue '< Back' button and the text 'Sign in'. The main content area features the 'ideabytes' logo at the top, followed by the 'DG Mobi' logo which includes a truck icon. Below the logo are two input fields: 'Username or Email' and 'Password'. A red link 'Forgot Password ?' is positioned below the password field. A red 'SUBMIT' button is centered below the link. At the bottom of the screen, there is a large red truck with a trailer. The trailer has a yellow section with the text 'Incorrect Placarding could cost you' and a list of consequences: 'Heavy Fines', 'Your License', and 'Your Safety'. The DG Mobi logo is also on the trailer, along with the text 'Solutions Powered by IT'.

Step 3:

Starts downloading the required TDG rules information for App. Display the load item screen. Display the load item screen.
