**Step 4:**

ERG download Popup will be shown. Choose your preferred languages to access ERG offline and click “Now” button to start downloading the ERG in the background. You can start using the App.

The screenshot shows the DG Mobi app interface. At the top, the status bar displays the time 5:39 and various icons. The app header includes the DG Mobi logo, version v4.1.6, and the user name Harshavardhan. The main form contains fields for Transaction Id (1673006942916), Bill Of Lading, UN Number (UN), and a radio button selection for USA (selected) and Canada/Others. Below these are fields for Proper Shipping Name, No. Of Pkgs, and DG Net Qty / Pkg. A red popup titled "ERG Download" is overlaid on the form. The popup text reads: "Please select your preferred languages for ERG." followed by three checkboxes for English, French, and Spanish. Below this, it asks "Would you like to proceed with download?" with "Not Now" and "Now" buttons. A disclaimer at the bottom of the popup states: "Disclaimer: It takes about 2 min to download each language. while using the app, you may experience lag until download is complete." The bottom navigation bar has three icons: Load Item, Load Details, and Show Placards.

**Step 5:**

Enter the load details in the required fields. Placards will be displayed in load details.
